OVERVIEW

Java Full Stack Developer with strong skills in **Java**, **Spring Boot**, and backend development. Experienced in building web applications using **RESTful APIs**, **Hibernate/JPA**, and **MySQL**, along with frontend technologies like HTML, CSS, and Thymeleaf. Familiar with tools such as Git, Maven, Postman, and JUnit, with hands-on project experience in secure and efficient application development. A quick learner with strong problem-solving skills, seeking an entry-level role to contribute and grow as a software developer.

SKILLS

- **Languages:** Java, SQL
- **Frameworks:** Spring Boot, Spring MVC, Hibernate, JPA
- **Frontend:** HTML, CSS, Thymeleaf
- **Tools:** Git, GitHub, Maven, Postman, JUnit
- **Databases:** MySQL
- **Concepts:** OOP, REST API Design, MVC Architecture
- **IDE:** IntelliJ IDEA, Eclipse, VS Code

PROJECTS

- **SmartLinker – Secure Contact Manager** Code
 - Developed a full-stack web application using **Spring Boot**, **Spring Security**, **Thymeleaf**, and **MySQL** for efficient contact management.
 - Implemented **role-based authentication** with **OAuth 2.0** (Google/GitHub login) and secure password storage using **BCrypt**.
 - Integrated **Cloudinary** for image uploads and **Mailtrap** for email verification.
 - Designed and developed RESTful APIs with CRUD operations and server-side validation to ensure data integrity and security.
 - Improved application security and user experience by implementing authentication, validation, and secure data handling mechanisms.
- **Mid-Day Meal Workflow Management System** Code
 - Built a web-based system using **Spring Boot**, **Thymeleaf**, and **MySQL** to manage and monitor meal distribution processes.
 - Implemented **role-based access control** for administrators, suppliers, and schools to ensure secure workflow.
 - Developed features for **report generation** (Excel) and data tracking to improve transparency and efficiency.
 - Followed modular architecture with server-side validation for scalable and maintainable application design.

EDUCATION

- **R. C. Patel Institute Of Technology** Shirpur, India
(*B.Tech in Computer Engineering*); *CGPA: 6.22* - 2025
- **D. D. S. P. College of Arts, Commerce and Science** Erandol, India
(*HSC*); *Percentage: 88.00* - 2021
- **Jawahar Navodaya Vidyalaya** Bhusawal, India
(*SSC*); *Percentage: 68.80* - 2019

INTERNSHIP & CERTIFICATIONS

- Internship in **Java Full Stack Development** program conducted by Symbiosis, sponsored by Capgemini
- Certified in core and advanced Java Course by Udemy
- Java Full Stack Development Certification - Giris Tech Hub, Pune
