OVERVIEW

- I am a highly motivated and dynamic individual, recently graduated in **Computer Engineering** and proficient in **Java**, with a strong foundation in object-oriented programming and backend development. Known for being adaptable in nature with a strong willingness to learn and contribute effectively in team environments. Shows a proactive attitude and passion for continuous growth in the software development domain.

EDUCATION

- **R. C. Patel Institute Of Technology** Shirpur, India
(*B.Tech in Computer Engineering*); CGPA: 6.22 - 2025
- **D. D. S. P. College of Arts, Commerce and Science** Erandol, India
(*HSC*); Percentage: 88.00 - 2021
- **Jawahar Navodaya Vidyalaya** Bhusawal, India
(*SSC*); Percentage: 68.8 - 2019

SKILLS

- **Languages:** Java, SQL, HTML5, CSS, Javascript basics
- **Tools:** Eclipse IDE, VS Code, Git, GitHub
- **Database:** MySQL

PROJECTS

- **Vehicle Service Management System**
 - This project is built using Spring Boot for backend and Thymeleaf with CSS html for the frontend. MySQL is used as the database.
 - It is a web-based application designed to streamline the process of managing vehicle service records.
 - This system provides functions for managing customers, vehicles, service centers, and bookings, ensuring a seamless experience for administrators, customers, and service center managers.
- **Inventory Management System**
 - Created a stock management system with JSP , Servlets and HTML, CSS, JavaScript, and JDBC.
 - Users can easily access and view comprehensive details of current stock, including item descriptions and quantities.
 - Supported data import/export for bulk operations and system integration.
 - Enabled full CRUD functionalities for efficient stock management.

INTERNSHIP AND CERTIFICATIONS

- Internship in **Java Full Stack Development** program conducted by Symbiosis, sponsored by Capgemini
- Certified in core and advanced Java Course by Udemy
- Certified in Python course by Microsoft
- Certified in NPTEL Cloud Computing Course
- Certified in Deep Learning Course by Udemy
